

Opus Investment Management, Inc. receives PSN Top Guns Award 5-Star Award: Intermediate Maturity¹ For Periods Ended December 31, 2016

Intermediate Broad Market Objective: Outperform the Bloomberg Barclays U.S. Intermediate Aggregate Bond Index over a market cycle by investing in investment grade securities primarily with durations between 1 and 10 years.

Opus Investment Management, Inc. PSN Top Guns 5-Star Award for Period Ended 12/31/2016

Opus achieved the Top Guns 5-Star Status from PSN for the period ended December 31, 2016 within the Intermediate Maturity universe¹ for its Intermediate Broad Market Composite. The PSN universes were created using the information collected through the PSN investment manager questionnaire and use only gross of fee returns. Mutual fund and commingled fund products are not included in the universe. PSN Top Guns investment managers must claim that they are GIPS compliant. Products must have an R-Squared of 0.80 or greater relative to the style benchmark for the recent five year period. Moreover, products must have returns greater than the style benchmark for the three latest three-year rolling periods. After that they select only the products which standard deviation for the five year period is equal or less than the median standard deviation for the peer group. The top ten returns for the latest three-year period then become Top Guns 5-Star.

Past Performance does not predict or guarantee future results. All returns reflect the reinvestment of interest, dividends, and realized capital gains and losses. Gross-of-fees performance returns are presented before management and custodial fees but after all trading expenses. The above net returns reflect the deduction of model fees of 0.25% annually.
