Opus Investment Management, Inc. Awarded Top Guns Designation by Informa Financial Intelligence

Investment Grade Core Objective

Outperform the Bloomberg Barclays U.S. Aggregate Bond Index over a market cycle by investing across all maturities and investment grade sectors.

Worcester, MA—March 2021— Opus Investment Management has been awarded a PSN Top Guns distinction by Informa Financial Intelligence’s PSN manager database, North America’s longest running database of investment managers.

Opus was honored with a 4-star Top Gun rating for its Investment Grade Core Strategy.

Through a combination of Informa Financial Intelligence’s proprietary performance screens, *PSN Top Guns (*free registration to view Top Guns) ranks products in six proprietary categories in over 50 universes. This is a well-respected quarterly ranking and is widely used by institutional asset managers and investors. Informa Financial Intelligence is part of Informa plc, a leading provider of critical decision-making solutions and custom services to financial institutions.

Top Gun firms are awarded a rating ranging from one to six stars, with the number of stars representing continued performance over time.

Opus’s Investment Grade Core strategy was named Top Gun 4-star rating, meaning our Investment Grade Core strategy had an r-squared of 0.80 or greater relative to the style benchmark for the recent five-year period. Moreover, the strategy’s returns exceeded the style benchmark for the three latest three-year rolling periods. The top ten returns for the latest three-year period then become the 4 Star Top Guns.

“Congratulations to Opus Investment Management for being recognized as a PSN Top Gun,” said Ryan Nauman, Market Strategist at Informa Financial Intelligence’s Zephyr. “This highly esteemed designation allows us to recognize success, excellence and performance of leading investment managers each quarter.”
