

Opus Investment Management, Inc. receives PSN Top Guns Award Manager of the Decade: Core Fixed Income¹ For Periods Ended December 31, 2014

Investment Grade Core Objective: Outperform the Barclays U.S. Bond Aggregate Index over a market cycle by investing across all maturities and investment grade sectors.

Opus Investment Management, Inc. PSN Top Guns Manager of the Decade for Period Ended 12/31/2014

Opus achieved the Top Guns Manager of the Decade Status from PSN for the period ended December 31, 2014 within the Core Fixed Income universe¹ for its Investment Grade Core Fixed Income Composite. The PSN universes were created using the information collected through the PSN investment manager questionnaire and use only gross of fee returns. Mutual fund and commingled fund products are not included in the universe. PSN Top Guns investment managers must claim that they are GIPS compliant. Products must have an R-Squared of 0.80 or greater relative to the style benchmark for the ten year period ending December 31, 2014. Moreover, products must have returns greater than the style benchmark for the ten year period ending December 31, 2014 and also standard deviation less than the style benchmark for the ten year period ending December 31, 2014. At this point, the top ten performers for the latest 10 year period ending December 31, 2014 become the PSN Top Guns Manager of the Decade.

Past Performance does not predict or guarantee future results. All returns reflect the reinvestment of interest, dividends, and realized capital gains and losses. Gross-of-fees performance returns are presented before management and custodial fees but after all trading expenses. The above net returns reflect the deduction of model fees of 0.25% annually.

Information about PSN

In 1984, Informa Investment Solutions, Inc. introduced the first commercially available investment manager search and evaluation databases—Plan Sponsor Network, or PSN. PSN offers financial professionals high-quality, in-depth data on U.S., non-U.S. and global investment managers. There are over 2,000 investment managers participating in the PSN database, which covers more than 20,000 domestic and international investment products.

Investment consultants, plan sponsors and brokerage firms use PSN to perform manager searches and ongoing evaluation. Money managers use PSN for competitive analysis and positioning. Participation in the PSN database is the mandatory starting point for many client manager search processes.

¹The PSN Core Fixed Income universe is comprised of 205 firms and 407 products.
